Wednesday, December 21, 2022 | 10:00am - 11:00am

Join us with
Shelley Brook
for December's
Learning Lab
webinar to explore
**Social Media Basics for
Small Businesses.**

In this webinar, we will review social media platforms and how to use them to build an audience and grow your small business.

Meet The Speaker:

Shelley Brook has worked in the online business world for over 3 years as a Virtual Assistant, Social Media Manager and Launch Event Strategist. Technology and the online space is a fast paced, ever changing world and Shelley makes it a priority to continually learn and expand her skills and knowledge to best serve her clients. Shelley has a passion for helping small, independent businesses grow and bring their unique message and products to the world.
